A summary of the "Emergency Palliative Care" Local Enhanced Service

1. An agreed list of "Emergency Palliative Care" drugs is to be stocked by those community pharmacies signed up to provide this service.	4. If the "Emergency Palliative Care" pharmacies are unable to supply the medicine required the pharmacy in receipt of the prescription MUST contact the prescriber.
2. Your local community pharmacy MUST be the first point of call to access palliative care drugs during normal working hours .	5. If there are no community pharmacies open to dispense the medicines and the prescription cannot wait until tomorrow, please contact the Out of Hours GP service – Harmoni .
3. If your local community pharmacy is unable to supply the medicines required, they MUST phone the nearest pharmacies signed up to provide the "Emergency Palliative Care" service to check if they can dispense the whole prescription.	6. If Harmoi cannot supply the required medicines, as a last resort contact the local secondary care trust and speak with the pharmacist-on-call (this is between the hours of 7pm-8am)
