House of Commons Lunch

25 October 2012

Back by popular demand

The Rt Hon Francis Maude MP for Horsham and Cabinet Member is delighted to invite members of the New Horizons Appeal Lunch Club back to the House for another very enjoyable and informative lunch.

Once again a surprise guest MP will also join the lunch. Both MPs provide an insight into government, politics and invite us to share views and ask questions of them.

The lunch will be three courses and, we hope, a tour (not guaranteed). Places will be limited to 22.

If you wish to attend please book a place now with a £10 deposit per person.

St Catherine's Hospice provides free, end-of-life care for patients and their loved ones across Mid Sussex and East Surrey. With over 70% of funding reliant upon the generosity of the community served, we are critically dependent on donations from local people and businesses to ensure the hospice can continue to provide this vital care. Every year £4.7 million needs to be raised from voluntary income.

The New Horizons Appeal aims to provide vital financial support to the hospice for specific projects.

The New Horizons Appeal

'Lunch Club'

was started in 2010.

The aim of The Club is to provide you with 'lunch with a difference' whilst supporting St Catherine's Hospice.

For every lunch attended £15 of the lunch cost will be donated to the New Horizons Appeal in aid of St Catherine's Hospice.

A minimum of two lunches will take place each year and annual membership is just £25 per person/couple* to meet administration costs.

Members can invite one guest per lunch.

The Autumn Gift Fair, at Knepp Castle, Shipley in September, the Garden and Local Produce Fair in May and the NHA Golf Challenge at Slinfold in July are main fundraising events organised by New Horizons Appeal volunteers.

Gravetye Manor Lunch

Tuesday 8th May 2012

Gravetye Manor in West Hoathly invites members to lunch and learn the history of this important old manor house.

The new head gardener will show us the wonderful gardens of Gravetye Manor which are a very special place and can be considered amongst the most influential in English gardening history.

Richard Infield built Gravetye Manor in 1598 for his bride, Katharine Compton. Gravetye's most notable owner, William Robinson who was one of the greatest gardeners of all time, bought the Manor and the 1,000 acres in which it stands in 1884 and it was his home until he died in 1935.

In 1958, Peter Herbert turned the Manor into a country hotel and restaurant of the highest standard.

For our lunch, the highly acclaimed chef will design a special menu of 3 courses, each course accompanied by a wine selected to compliment the dish. A surprise gift as we depart is also included.

Lunch and 1 hour tour is limited to 20 places and costs £65 per person.
