St Catherine's Hospice is a charity dedicated to providing specialised end of life care and support to local people, their families, friends and carers living in Crawley, Horsham, Mid Sussex and East Surrey. Every day St Catherine's needs over £17,000 in voluntary donations to provide care and support for people with a terminal illness and their families. Without help from people like you, we wouldn't be able to offer the vital services we do. It really does make a difference to our patients, family and friends at a time when they need it most. Thank you!

5. It is estimated that by including a photo to your JustGiving Page, it can help to increase your sponsorship by 14%. To do this, click on '**Add Photos**' in the edit area and then '**Select photo**'. Choose the photo from your device and add a caption (up to 40 characters). Press '**Upload photo**' to finish.
